

Rounding Rap

First you find the place
you are rounding to,
Look to the right it will
tell you what to do.

If it's 0, 1, 2, 3, or 4,
Leave it the same
as it was before.

If it's 5, 6, 7, 8, or 9,
You add one to it
on the number line.

Write as many zeros
as you need,
You have just done
the rounding off deed!
